

Afternoon Tea

Traditional Afternoon Tea

Afternoon Tea is a tea-related ritual, introduced in Britain in the early 1840s. It evolved as a mini meal to stem the hunger and anticipation of an evening meal at 8pm.

Initially developed as a private social event for ladies who climbed the echelons of society. It was only when Queen Victoria engaged in the Afternoon Tea ritual that it became a formal occasion on a larger scale, known as 'tea receptions'.

Today 'Afternoon Tea' is usually enjoyed as a special indulgence or to celebrate a special event such as a birthday, a pre-wedding or baby shower party with a group of friends.

Our quintessential afternoon tea includes a range of delicate sandwiches with an indulgent array of cakes and traybakes.

Home deliveries are presented on Sofood disposable platters or for more formal occasions we can serve on either classic white bone china or vintage mix and match china (add an additional £5.00pp)

Prices are quoted excluding VAT, delivery and any extras such as staff to serve.
